MESSAGE FROM THE EXECUTIVE DIRECTOR

"Lord send me, but go with me, and go before me." The prayer of how it all started. The continuous prayer for this ministry. We NEVER want to step outside of the Lord's will for this ministry. We want to grow how HE wants us to. 2022 was chocked full of miracles and blessings. so much so that I had to stop sending weekly updates to the team because it was so much reading and so much to keep up with people were feeling left behind. So many things were birthed for Whispers in 2022. We have come so far, and all the while, we have a long way to go. Our goal is to walk alongside women into true full freedom and healing, the kind that can only come from Jesus. How do we do that? By never getting bigger than 1 woman at a time. Keeping our eyes on the lady Jesus puts in front of us in that moment and showing her the love of Christ.

LOOKING
FORWARD

Let's talk about new beginnings! In 2022, we launched our podcast, hosted our 1st Hope Ball, Whispers had a page in Good News Magazine, hosted a spa day for our ladies, launched our Care Team, added a city(Smithville) to our outreach, had an outreach team appreciation pool party, began a collaboration with Qualified Woman and Viable, had one of our members(Mary Harvel) have a feature article in a magazine, had our 1st lady Level Up on our Care Team, and had our 1st lady graduate through the Qualified Women's academy.

Incredible. That's 11 1sts, nearly 1 for each month out of the year. Everything was happening so fast at one point it felt like being caught up in a tidal wave.

We are incredibly grateful the Lord's hand of blessing is upon us.

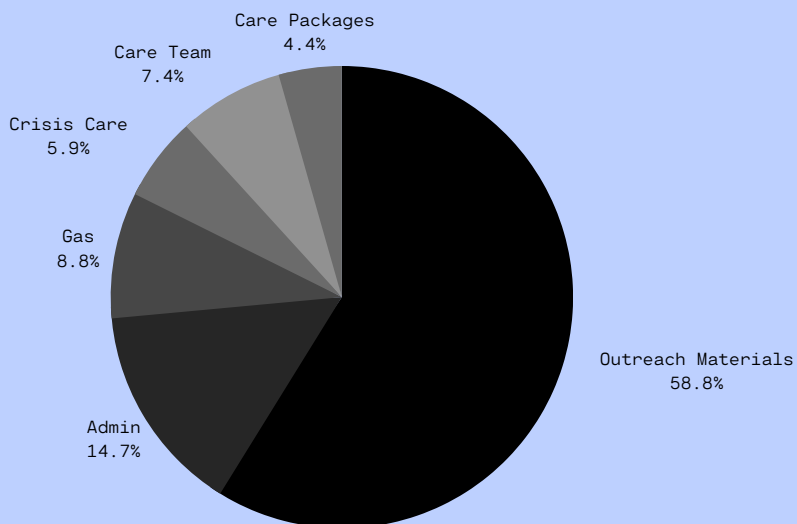

As we look forward into 2023, we are excited to announce another new beginning. Whispers has began a new collaboration with Feed My People India, who rescues women our of sex trafficking and aids them in developing occupational skills(either in tailoring or nursing) to provide life changing skills to these women and their families. One unique aspect to this is that the ladies in the tailoring program will make a product biannually that will be brought into the clubs to ladies here in the states with their hope stories attached. We are excited to see the impact that will be made through this.
